

MagicListBot

1 Find a product

It can be a product that sells at www.clickbank.com (marketplace)

Or YOUR own product

Or ANY product

And ANY product on ANY Site

Amazon(TM)

eBay(TM)

....

2 Create a short squeeze popup page

It can be a subscription form for your newsletter

Or an Irresistible Offer

Or ANYTHING

3 Use the software

insert your CB nickname

insert the URL of your squeeze page

Upload the cloaked page

add a tweet

Submit the tweet

What happens next

✓ THE TECH PART

The software posts the tweet with the URL of your cloaked page but the URL is shortened too
People click to view the page
They see the VENTOR's page with YOUR squeeze pop/up page

💰 THE GOOD PART

Leads from your squeeze/page
Commissions from the product you promote

You can get the MagicListBot at www.findv.com/MagicListBot
